Yellow Diva

Barrel Chair

Designed by David Walley

Manufacturer Yellow Diva

Offering a fresh lease of life to discarded wine barrels, Yellow Diva's elegantly proportioned Barrel Chair takes the timber staves of a traditional oak cask and reworks them to create a contemporary all-weather garden chair. Once released from the iron hoops that hold them together, the charred oak staves are separated, sanded (still preserving the rich stain of the wine) and oiled before being re-laid on the hand-made steel frame.

Range

Barrel Chair

W750mm D650mm H700mm

Finishes

UV stable natural plant oil

Black powder coat / zinc plate

Lead time

6-8 weeks

Materials
